

February 13, 2017

Dear Patient:

As faithful members of the Healthy Woman family, there are several changes taking place at our office that we would like to share with you.

We will join the Hackensack Meridian Health physician enterprise effective March 1, 2017. We are excited about this change as it allows us to continue to provide the best care to our patients. In the future, when you receive invoices from our practice, they will likely be under the name of Meridian Medical Group – Specialty Care. When we join Hackensack Meridian, this will be the official name of our practice.

There are some important insurance changes to note. We will no longer participate with AmeriGroup, United Medicare Advantage Plans (as of March 1, 2017) and straight GHI. The GHI plan associated with QualCare is acceptable. If you are presently insured through AmeriGroup, you can apply to other managed Medicaid plans like Horizon NJ Health and United Community Plan which we accept. Additionally, we will be enrolling in Multiplan, PHCS, Intergroup, and US Family Health Plan.

Beginning April 1, we will be transitioning our procedures and deliveries to Jersey Shore University Medical Center. Of course, feel free to discuss any questions or concerns you may have with your individual provider. As always, your wellbeing and health are our utmost priority, and we will do everything possible to continue the relationship we have with our patients.

Happily, during this transition the staff that everyone has become familiar with will remain consistent and looks forward to continuing to care for you.

Please know that we are dedicated to making these transitions as smooth as possible for you, and we believe they will enable us to continue to care for you in the way you have come to expect while enhancing our ability to provide improved services to you in the future.

Sincerely,

Healthy Woman 732-431-1616

312 Professional View Drive, Building 300, 2nd Floor, Freehold, NJ 07728
9 Professional Circle, Suite 103, Colts Neck, NJ 07722
